

Abington Middle School Summer Reading Program

*To all incoming August 2017 fifth through eighth graders,
in collaboration with the Abington Public Library and the
Build A Better World 2017 Collaborative Summer Reading Program,
the Abington Middle School would like to welcome you to our school's
Summer Reading Program!*

All students will engage in a book share with classmates during the first three days of school. All students who participate in the Summer Reading Program and complete and return a Summer Reading Book Share Form to their homeroom teacher on the first day of school will be entered into a raffle to win a free e-reader! E-readers will be distributed to four lucky winners (one for each grade) for participating in this important reading program!

Lots of Book Choices!

Visit Abington Public Library's website for recommended reading choices.
