### **MESSAGE FROM THE PRINCIPAL**

Good Afternoon,

This morning Green Wave certificates were distributed to students in homeroom. Over the first trimester staff members nominated students who were observed going above and beyond being respectful, responsible members of our school community. Through a partnership with Horace Mann, we are able to draw two names from those students receiving Green Wave certificates to receive a special prize. Today I called Christian Carvalho, grade 6, and Isabelle MacLeod, grade 8, to the office to receive Amazon.com gift cards from Horace Mann. Congratulations to Christian, Isabelle and all students receiving Green Wave certificates!

Have a safe and relaxing holiday weekend,

Mr. MacCurtain

All students who have completed an application for South Shore Vocational Technical High School will be interviewed. Interested applicants can still complete an online application at [www.ssvotech.org](http://www.ssvotech.org).

## **MESSAGE FROM THE PCC PROGRAM- STONEHILL COLLEGE**

Dear Area Schools:

We would like to extend the invitation to your students and their families to a PCC Informational Night on January 22nd at 7:00 p.m. The information session will take place at Stonehill College in the Martin Auditorium (located right next door to the science center). We will provide an overview of our program and the opportunity for prospective families and students to ask questions. This is a great opportunity for families to get to know the program better and meet some of the staff who will be working there this summer.

We are reaching out in hopes you may please share this information with families and students who are eligible to attend PCC. Thank you for all of your support.
