

# WOODSDALE WEEKLY

Woodsdale School

120 Chestnut St Abington MA 02351

## Principal's Message

Dear Woodsdale Families,  
Throughout the week this week we've had parents in the building to share in activities and presentations. I am so proud of the work being shown and I love opening our doors to families to share in these experiences.

There are important events throughout the week next week so please be sure to check in with your students, teachers, or the office if you need clarification or confirmation of times.

We'll have new board members in place for the Woodsdale PTO and a new focus for our work together during the next year! Exciting changes!

Next week's Woodsdale Weekly will be the last for the year, if there are any important updates to events, placement, etc. we'll update via Constant Contact.

-Mr. Hawes

## Morning Meeting Corner

Throughout this week, we've been talking in Morning Meetings about being respectful, maintaining expectations at school, and closing strong. We're acknowledging the feelings of excitement and the way in which our expectations and routines are adjusted near the end of a school year. These conversations have been necessary and I've been happy to join these meetings throughout the school.

## Moving?

If you anticipate moving over the summer, please get ahead of the August rush and let us know of changes to addresses or contact information. We'll be sure to update throughout the summer. Call or email Mr. Hawes or Mrs. Greenlaw and we can help you out!

## ALICE & our schools

Next week is a big week for our ALICE rollout & implementation. We'll be running training scenarios for our staff on Monday June 11th.

There is a parent information session on Wednesday June 13 to review all-things ALICE and to hear about the plans for our student training on June 15th. This event begins at 6PM in the AMS/AHS auditorium. We'll be making presentations and holding a simple walkthrough of a drill with our students on Friday June 15th. I will be working with individual grade levels, meeting with Grade 4 in the morning and Grade 3 in the afternoon.
