

A MESSAGE FROM THE ABINGTON GREEN WAVE BOOSTERS

Hello Abington!

We hope that this note finds all of you and your family members healthy. As many of you know, the Abington Green Wave Boosters is a non-profit group of volunteers with a mission of raising funds to support Abington Green Wave athletics. The funds raised are used to make purchases for teams that are not traditionally covered by the athletic program budget.

Even though this year things are not quite the same, we were fortunate to have some of our Fall teams compete. And with that, the Boosters will continue to work to raise funds to support our athletic programs at Abington High School.

The Fall is the time of year when we traditionally conduct our largest fundraiser of the year – The Annual Door-to-Door Drive. However, due to the pandemic, we unfortunately are not able to get out and see all of you to ask for your financial support.

This year, you will begin to see short videos from our student-athletes introducing themselves and asking for your support on Facebook, Twitter and Instagram. We understand we are working through challenging times as a community as well as individually, so we appreciate anything you are able to contribute.

If you can make a donation, there are a few ways you can do it.

1. Visit www.greenwaveboosters.org and click on the DONATE button
2. Send a check made payable to Abington Green Wave Boosters to PO Box 2140 – Abington Mass, 02351.

We thank you for your continued support of our Abington Green Wave student-athletes and we hope to be able to see you soon to watch a game.

Stay healthy and thank you again,

The Abington Green Wave Boosters
