### Administrator's Message

This month's character trait is empathy. Our students are learning that other people have feelings and a good friend thinks about how others are feeling. Some great books to start a conversation about empathy are:

*Stand In My Shoes*

*I Am Human: A book of empathy*

*Red, A Crayon's Story*

*Where's My Teddy*

*Hey Little Ant*

### Health and Wellness: A parent awareness event

Monday, March 18 at 7:00 pm

Middle School Seminar Room in 201 Gliniewicz Way

Abington Middle School is inviting elementary parents to an informative presentation about **vaping**. It's not too early to learn strategies on how to talk with your child about this unsafe trend that starts younger and younger and how to handle the pressures to try vaping. Caron Treatment Center is presenting this adults only discussion. Learn how to help avoid the vaping path to nicotine addiction, while your child still listens and is influenced by you.

### Beaver Brook Art Show

Ms. Feeney enjoyed seeing so many families at our school-wide art show in the public library on Thursday. Thank you to the volunteers who hung the art work so everyone could see each project as they walked through the library. Owls, fantastic creatures, colorful collages, polar bears, snowmen, concentric circles, representational objects, complimentary colors, and scenes were some of the amazing pieces on display. Come visit through March 15.
