

## **SAVE THE DATE**

On **Wednesday, May 8** the Art and Music departments will host the first annual

### **Celebrate the *Arts* Festival**

at Abington Middle/High School Cafeterias and Auditorium

The festival will run from 3:30 to 7:30 and an open mic until 9:00 p.m.

- Over 800 pieces of artwork created by students in grades 5 through 12 will be on display
- Musical performances by students in the music program
- Film screenings by students in the Film Club
- Food and snacks available for purchase
- Open mic 6:30 – 9:00 for middle and high school students
- And more

Parents/guardians of students in the middle school will have the opportunity to purchase their child's artwork displayed in a high quality frame for \$25 as part of a fundraiser for the Middle School PTO and Art Department Scholarship Fund. Artome is a company that made it possible for us to display so many pieces of art and as part of their service they will frame one piece of art from every student in grades 5-8 and set up a wonderful display in the cafeteria. Artome will return a portion of each frame purchased. If you choose not to purchase the frame the artwork will be returned. However, we hope you will want to take part in this fundraiser as a way to support funding programs not funded through the town budget as well as have your child's artwork professionally framed and ready to hang in your home. You can purchase and take the artwork home that day
