## A Note from Miss Barresi...

Dear Families,

On Tuesday, March 19, 2024, our third and fourth graders successfully completed the second fire drill of the school year. They did great work walking quickly and quietly out of the building with calm bodies, following the lead of their classroom teachers.

A big thank you and shout out to the Abington Fire Department for helping to facilitate the experience. Keeping our students safe is our number one priority every day at Woodsdale.

Wishing you a happy weekend.

Sincerely yours,

Miss Barresi - Principal of Woodsdale School

## Cradles to Crayons Donations at Woodsdale...

McKinley Houghton is an eighth grader at Abington Middle School who is the Project 351 Ambassador for 2024. Project 351 is an independent nonprofit organization that builds a movement of youth-led service by engaging an unsung hero from each of Massachusetts' 351 cities and towns. United for a year of leadership and service, Ambassadors transform communities, elevate kindness, advance social justice, and gain the courage, compassion, and capabilities to lead change.

Her spring service project involves collecting clothes to support Cradles to Crayons. Cradles to Crayons is inspired by a future free of childhood poverty. There is a donation box in the Woodsdale lobby, where you can donate high-quality new and like-new clothing for children newborn through age twelve. We will be accepting donations through Friday, April 5, 2024.
