

March Madness

Dear Parents,

March Madness is here at Woodsdale School. We are busy preparing for the month and will soon start to fill it with prizes! "March Madness" raises funds which directly benefit the children of Woodsdale.

What is March Madness?

Each Student at Woodsdale will receive a chance to win a prize during March Madness. Each child's name will be entered into the drawing once at no cost. Each day in March, student names will be drawn and winners will be awarded one of the prizes of the day.

You will be able to obtain additional entries for your child. For every \$5.00 donation you make, we will enter your child's name into the drawing again. You may make as many donations as you like in increments of \$5.00. Once a student's name has been drawn as a winner, that winning entry will be removed; however, any remaining entries with your child's name on them are still in the drawing and are eligible for the rest of the month or until drawn as a winner.

March Madness Prizes

In order to make this a successful fundraiser and an exciting month for the students, we are asking for prize donations. Some of the exciting and fun prizes are donated by the Woodsdale Staff. Examples are: lunch, dinner, story time, snack time, or craft time with a staff member, being helper of the day, a basketful of books or crafts, etc.

But, we still need additional prizes to complete the month. We would like to offer prizes that are inexpensive, academic and/or "folksy" in nature. Some examples of previous year's prizes are: activity baskets, books, bookstore gift certificates, movie passes, DVD movies (G-rated preferably) educational games, food gift certificates, etc. If you can donate one of the above-mentioned prizes or any fun prize, please deliver them to the School Office by March 12th. If you have any questions please contact: Shannon Tenore at 781-664-3509 or shannon12172003@yahoo.com

Thank you in advance for your support!

Thank you,
Woodsdale PTO
(students with food allergies will be given non food prizes)
