

WOODSDALE WEEKLY

Woodsdale School

120 Chestnut St Abington MA 02351

Principal's Message

Dear Woodsdale Families,
What a week, what a year!
We capped off the week today with an action-packed day. MANY thanks to Ms. Sullivan and all of the parent volunteers for their work to make our Field Day such a fun event!
We ran through our ALICE presentation and drill with each student today as well, closing the loop on the training that staff, students, and administrators participated in this year. We are grateful for the help we received from the Abington Police Dept throughout this process.

As I reflect upon the year I am impressed by the entire Woodsdale team and can't help but be excited about our continued growth. We have had a very successful year this year- not a single staff member or student worked here at the Woodsdale School last year and we came together to provide a strong culture and a bright and inviting school...no small task! Thanks to the parent community for your support, praise, and push for improvement.

-Mr. Hawes

ALICE & our schools

The ALICE student training took place on June 15th, combining classroom reading, a presentation from administration, and a walk-through of an evacuation. Through this training, we were able to heighten students' awareness of the options they have available to them in the event of an emergency. As your students continue to process the information we provided today and as you debrief today's training as a family, please feel free to reach out if needed.
